(Isaiah 66:8) As we journey through my homeland, you'll have the opportunity to see the great diversity of people who call Israel their home.

During our time together, you'll have the opportunity to meet Jews who have returned from every corner of the earth, Druze, and Arabs of varying cultural and religious backgrounds. We'll hear firsthand from people who have lost family and friends to terrorism in Israel, and also discuss the unique security challenges facing Israel today. We will study the Bible together at the very sites described in the biblical text, and learn how the Bible helps us to understand ancient, current and coming realities for the nation and people of Israel.

By the end of this tour, you'll understand just how miraculous it really is that God has allowed the Jewish people to establish a free and democratic nation in the land of Israel today, in which people of every tribe, tongue, and nation enjoy a truly safe experience!
